Dear mamie - your letter he heard thro' a-m-
and as I want to write a letter to you
bath, and I may not get it - it's this week -
but will try - thought I better let you
know what to do, I think I would
phone to the convent - and all of it is
positive about the dates - and it's so
let her take them Sunday - but tell
her if they get lost, she must be the
lover at court, and then she would have
any - she better not take the Disaba
I told Gabe, to bring her letter to you to read
Sunday - will write you both and get busy now
soon
